

SPONSORSHIP

We would love to have your support for the 8th Annual Van Hook Catch & Release Classic tournament that will be held on June 10th & 11th, 2022. This is going to be an awesome event put on by local people who want to see a great fishing tournament held in our community. The "Catch & Release" tournament is intended to promote good conservation practices, provide a challenging competition and give our local residents an exciting activity to look forward to.

The majority of tournament entry fees will go back to the participants in the form of prize money with a percentage of the total going to the North Dakota Game & Fish Department to be used at the fish hatchery and at local boat launch facilities. That being said, this is by no means a "for profit" venture. That is why we are seeking support for local businesses to help us make this event successful. Funding is needed to offset substantial tournament expenses including signage, printing, boundary markers, weigh-boat expenses, etc.

Please know that if you choose to contribute to this tournament your funds will be spent wisely and responsibly. The tournament will be run with 100% volunteer man power. From the parking attendants to tournament officials - the staff will be volunteering their time and expertise. Any funds remaining at the end of the tournament will be held for use in the following year's event.

We have elected not to ask for specific sponsorship dollar amounts because we appreciate participation at any level! We welcome cash donations to help cover operating expenses as well as merchandise donations that will serve as door prizes and place awards. All tournament sponsors will be recognized for their generosity before, during and after the tournament through the following channels: Verbal announcement during the awards ceremony and rules meeting, logo/name placement on banners that will be placed on site at the tournament, in print on the tournament information packets and online at Van Hook Classic website.
